Dear Mr. Wiśniowski,

The Polish Combatants Association is particularly interested in your project, since many of our members are survivors of this brutal aggression and its consequences. In particular, the story of mass deportation of the officer corps for execution and of Polish civilians as slave labour to the Soviet Gulags. In its electronic form this uncomfortable historical fact will reach out worldwide.

We are therefore pleased to offer you the facility of our address for correspondence. We wish to confirm that the Polish Ex-Combatants Association Trust Fund has donated the sum of £5,000 (five thousand pounds sterling) towards the KSVM.

Yours sincerely,

J.M. Bernasinski
